

Apartment Owners Meeting Scheduled Friday Evening

Newly installed president of the South Bay Apartment Owners' Assn., Gus Bourhenne, will preside as the group meets in the Paul E. Rowley Auditorium, 132nd and Van Ness Ave. beginning at 8 p.m. Friday.

Fleetwood Re-elected Demo Chief

Re-election of Thirvin Fleetwood, 3637 W. 182nd St., as president of the 17th Congressional Democratic Council, has been announced.

Elected to serve with him were Henry Flores of Wilmington, vice president; Sylvia Zankich of San Pedro, recording secretary; Sarah Flores of Wilmington, corresponding secretary; and Lionel Gade of Compton, treasurer.

Fleetwood and Fred Martinez were elected as delegate and alternate delegate to the California Democratic Council convention in Long Beach in February.

Guest speaker at the election meeting was Judge Vincent S. Dalsimer.

Owners of two or more rental units in the area are eligible for membership and have been invited by the new president to attend tomorrow's meeting. Membership committees will be on hand to welcome visitors he said. Among the committeemen are Marjorie Gapper, Evelyn Konnerth, Arlene Jones, Lois Vickrey, and Mrs. Glen Walker.

ADMINISTRATOR Betty Glaberson will speak during Friday's meeting.

Bourhenne, of 2505 W. 168th St., was installed earlier this month at a dinner meeting in Manhattan Beach. He is a design engineer for AirResearch where he has completed more than 20 years of service.

Officers serving with Bourhenne include Carl Voce, first vice president; Carl Bechdolt, second vice president; Harry Glaberson, third vice president; Raymond Jackson, fourth vice president; Ruth Bechdolt, recording secretary; Leo Jodoin, treasurer, and Betty Glaberson, administrator.

Tomorrow Set as Camino Registration Deadline

More than 12,000 students are expected to sign up for classes at El Camino College during the spring semester, breaking old records at the college.

Registration may be completed through tomorrow, said Leo M. Christian, assistant director of student personnel. He said 4,538 full-time students had already received counseling, and 665 were scheduled before the end of sessions tomorrow. Although all appointments for testing have been assigned, cards are still being issued to prospective full-time students said Christian. Part-time registration appointments for new students are available for today and tomorrow.

"No registration will be permitted after Friday," warned Christian. He said information regarding registration could be obtained by calling the registration office from 8 a.m. until 9 p.m. today, or from 8 a.m. to 4:30 p.m. tomorrow.

Bringing Up Baby

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

Most baby-care experts advise against propping the bottle for baby's feedings.

Apart from the warmth, comfort and security you give your baby when you hold him, there are rather nice benefits for you. Feeding time gives your on-the-go body a chance to relax, your feet a fine rest. Above all, you achieve a special "oneness" with your baby, reward enough for any mother.

Warming thought. If baby's a dawdler, one of those knitted coasters will help keep the bottle warm longer.

Solid comfort. As soon as your doctor gives you the green light on cereal, Gerber Cereal Sixes are just right for a bird-size appetite...

...and the perfect way to introduce baby to different flavors. This handy, six-in-1 package contains small-size boxes of Rice Cereal, High Protein Cereal, Barley, Mixed Cereal and two Oatmeal. After baby samples all five, and indicates his favorites, you can get Gerber Cereals in the regular, large-size boxes.

All Gerber Cereals have the delicate flavors and super-smooth texture that encourage baby to take to this important basic food. And they're enriched with iron, calcium and B-vitamins to get him off to a good nutritional start.

Saving plans. (1) If you've a two-story house, you'll save many a step by keeping a supply of diapers both upstairs and down. (2) Folding a day's supply of diapers at one time simplifies and speeds the pin-up job.

Why vitamin C? Doctors specify this vitamin early in the infant diet because breast milk or cow's milk have very little vitamin C, which baby needs every day. Gerber Juices—all nine of them—are rich in this important vitamin, needed for sound gums and other body tissues. While Orange Juice has been the traditional "starter," doctors often recommend Gerber Apple Juice because it's especially mild and well-tolerated by babies. This criminal act imperils YOU

Since a strike was called against General Telephone last October, hundreds of acts of sabotage have occurred and telephones in many communities have been put out of service by the cutting of vital telephone cables.

Such sabotage as this is a hazard to every person in every area where it occurs. The loss of telephone communication to doctors, hospitals, military establishments, police and fire stations can have tragic consequences.

\$10,000 REWARD

General Telephone will pay \$10,000 in cash for information leading to the arrest and conviction of any person or persons who willfully damage or destroy telephone cables or other major communications facilities during the current strike.

This reward will be paid to anyone, including General Telephone employees or law enforcement officers.
